

Wild time at Wildwood Friday 17 June

What better way to celebrate an INSET day than by hopping out for a wild time at Wildwood with the children later on this term ?!

If you're stuck for a way to entertain the children on **Friday 17 June**, join us for a visit to Wildwood animal conservation park, with its newly-refurbished play area that includes new features and is sure to keep the children entertained. The newly-revamped play area includes the new 'Tree Top Drop' and expanded Wild Fort with a slide, as well as the usual area for under-5's. Bring a picnic along and we'll meet at Wildwood at 11am, follow the trail around Wildwood, visiting the animals, ending up at the play-area and picnic tables for lunch.

If you're already a member of Wildwood, don't forget to bring your membership card: non-members can see the admission prices on Wildwood's website. Visit the [Wildwood website](#) for more details and directions.
